Dear families,

RE: Year 11 Revision Residential

As we enter year 11 it is really exciting to write to you about the Year 11 Revision Residential this year. This will take place from **30th March to 2nd April 2026 which is during the Easter Holidays.**

The residential will provide students with focused revision sessions across core subjects, supported study workshops, and the chance to consolidate their learning in a calm and structured environment. Alongside academic sessions, there will also be opportunities for wellbeing activities, team building, and relaxation to ensure a healthy balance between study and rest.

We know from previous years how valuable it is in the build up to GCSEs. We therefore expect all of year 11 to attend in order to maximise their preparation for what can feel like an intense time.

In previous years we have gone to Holyport College, we are still confirming the location for this year's trip. However, because we know that it is important that you can plan for this. As part of the 'Whatever It Takes Commitment' we expect all children to come. Based on previous years we have estimated the cost of the trip and included a payment schedule in the table below. If the cost of the trip changes we will communicate this with you and amend the installment schedule. We are passionate about ensuring that all pupils at Reach Schools are able to go on and enjoy all the trips and experiences that we offer. If you have any difficulties with the payment please complete this form and Ryme Tarmach , Year 11 Head of Year, (ryme.tarmach@reachacademy.org.uk) will be in contact: [Financial Assistance Form](#)
